Home Learning Survey

We are currently seeking information about Home Learning across our school. This includes asking our students, teachers, parents and whanau. We would really appreciate you undertaking the survey. To allow you to do this we have sent it out via email, class facebook pages or 'control click' this link [Home Learning Survey](#) Please use whichever method you like to complete this – it will only take a few minutes, possibly 5 minutes maximum.

DROP OFF AND CARPARKING

As many of you know, we have a large number of families and a small number of carparks! Due to this frustration, some of you decide to park on yellow lines, some park in driveways, some double park.

Currently we have alternative options that include parking in Wai-iti Road, Selwyn Street, White street and walking you child to the school gate or allowing them to do this themselves, most children can manage this by Year 2.

Parking unsafely and incorrectly will get one of our children hurt, hit or injured and we all want to avoid this.

Consider; why do some people choose to park incorrectly? What would make it easier for you to use a safer option? How can we help you make a safer choice? Let us know.

THANK YOU

For your wonderful support on mufti day last week for Plunket!!
