<p>BYOD option – chromebooks recommended as most suitable, cost effective and useful at school. These are not compulsory but very helpful.</p>				

Please name all stationery. Exercise books do last longer if they are covered, however we would encourage you to think about environment friendly solutions. These could include wall paper, used gift wrap or magazine pages. Children often have great ideas. EZ covers are an excellent option – very popular and appealing and able to be used year after year www.EZcover.co.nz. Stationery is hugely cheaper in shops at the beginning of the year because of the bulk purchasing of businesses. We urge you to take advantage of this. Please ensure you mention Waimataitai School's name when you make your purchase as many businesses give back to our school. Purchase your child's stationery online at www.myschool.co.nz/waimataitai or www.warehousestationery.co.nz.
